Happy Summer!

We've been back in the sanctuary since March 21, and it's finally beginning to feel almost like it was. I don't dare say "normal" because no one really knows what that means anyway. Last month we made the move to one service, and that is working out well. It's fun to watch as people who have exclusively attended one service or the other encounter people from "the other" service and think they are new members, even though they have been attending for two years. Our In-person attendance numbers are still low compared to what they were before the pandemic, but our online attendance remains high and, when the numbers are combined, total attendance comes pretty close to what it was before the shut-down. We look forward to a time when all who are able are once again joining us in-person. We miss seeing you.

Adult Sunday school has resumed, as well, and, while we've had to make a few adjustments to the schedule, generally people have remained flexible. Both adult classes now meet at 9:00 AM. The class using the David Cook series, led by Ruth Miller, meets in the classroom off Fellowship Hall, and the Wired Word class that I lead meets in the library. Children's Sunday school will resume in the fall. If you would be interested in leading a study, either short- or long-term, or if you would like to become involved with children's Sunday school, please let me know.

As I think about ministry in our community, I see so much more we could be doing. What are your gifts and special interests? Could those be put to use in new and exciting ways to include others? How do you spend your time when you are not working? How can your skills help others? These are just a few of the things I'd like you to begin thinking about.

One of the ways we can begin thinking about these topics is through our upcoming series "Geared Up for Life." We will continue exploring Paul's epistles as we transition during July and August to his letter to the Ephesians. In this letter, we can find real, on-the-ground help for living out our faith and making disciples of Jesus Christ for the transformation of the world.

Have a great summer, be safe on the upcoming holiday, and if you travel, take some time to reconnect with your loved ones and with God. Who knows? You may even hear God's voice giving you some new great idea for ministry! When that happens, I would love to hear about it!

Blessings,
Pastor Kim

Help Raise Funds for Church Maintenance Project

Maintaining the church building can be costly. Here's how you can help: Trustees sell gift cards to raise funds. A listing of the cards available for purchase is on the bulletin board in the fellowship hall.

If your birthday or anniversary is not shown on the listing that is printed each month, please call the church office so it can be added to our list.
